

# AMERICA HOMELESSNESS COALITION PASTORAL CARE MINISTRY

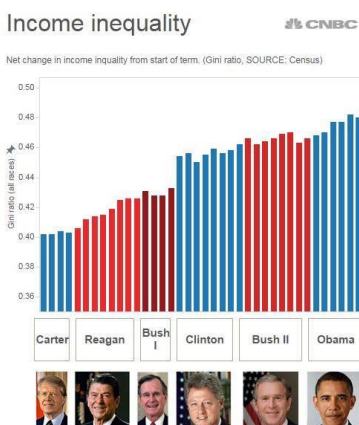

Volume 1/Issue 8

## A RECENT SUCCESS

Pastor Hobson is currently 39% favorable for Hillary Clinton and 32% favorable for Donald Trump in 2016 Presidential election. He is 23% favorable for Gary Johnson and 5% favorable for Jill Stein. More voters in the Midwest and south say that Pastor Hobson is honest on poverty and homelessness in today economy over liberal Democrats. A survey asked Americans on who they believe more on economy.

## PASTOR HOBSON STANDING FOR MOVING ECONOMY FORWARD

People told Pastor Hobson he has the temperament and judgement to serve in Congress and United States Senate. People know that Pastor Hobson stood up and help low-income communities in Chicago personally. Pastor Hobson stood up to homelessness in South Carolina, Illinois, Michigan and Indiana. People told Pastor Hobson he has the leadership to change government. Pastor Hobson has been a swing voter since 2004 and voted as an independent in elections. He is a person that is all about solutions to move the economy forward without raising taxes. He supports limited government that will lower taxes in the economy to create jobs with rising wages. Pastor Hobson has thousands of pages of emails from [pastornicolas.hobson@religious.com](mailto:pastornicolas.hobson@religious.com) from low-income Americans in Illinois, Indiana, Michigan, Mississippi, South Carolina, Louisiana, Ohio, California and New York. Pastor Hobson supported the US troop surge in Iraq and leaving 10,000+ US troops in Iraq long-term to defend, govern and sustain itself. He opposes the intervention in Libya by President Obama and Hillary Clinton because it caused chaos and unrest in Libya. Illinois residents email Pastor Hobson on the slow economy and high tax burden in the state of Illinois. Computer and Job Training Program has trained 1,086 unemployed, underemployed, ex-offenders, homeless people and youth for jobs in manufacturing warehousing, education and child development, engineering, computer science, information technology, nursing and healthcare, finance and accounting. Community advocates in Iowa and Illinois have praised Pastor Hobson on his education plan to raised Pell Grants to \$7,000/semester and free tuition at public colleges under \$33.2 billion federal balance budget. His proposal was rejected by Harry Reid, Nancy Pelosi and President Obama under the Democratic Controlled Congress. Community Employment Program provided 15,599 full-time jobs in this country since 2014. Most workers in Community Employment Program in South Carolina, Indiana, New Jersey and Michigan. Community Employment Program jobs have been cut in Illinois and moved to South Carolina. It means that all operations moved out of Illinois and moved to southern states. Most workers in Community Employment Program earn \$960/weekly with rising wages. Homelessness Financial Relief Program has provided financial assistance to 167 homeless people in this country. Pastor Hobson likes to see another one hundred Americans provided financial

assistance in 2016. Pastor Hobson understand that high taxes slowdown the economy because higher taxes cause families and Americans to live further in poverty. Pastor Hobson understand new taxes slowdown the economy because new and higher taxes take away money from Americans in households to pay bills, mortgage or rent and groceries. Lower taxes in the economy end poverty in communities in this country. Pastor Hobson understand new taxes slowdown the economy because new taxes cause families and Americans to live further into poverty. As a Bernie Sanders supporter, he spoke against his proposals that will cause a tax increase in the economy and tried to reach out to his campaign on economic issues, government spending, lower taxes and providing high economic growth. Pastor Hobson stands up against same-sex marriage and abortion. He believes all couples on earth should be a man and woman. He believes God is the creator of human life on earth and abortion is damaging to God creation of human life on earth. Lower taxes will provide economic opportunities for black communities, such as good paying jobs, able to buy a home and live with prosperity.

## PASTOR HOBSON ECONOMIC STORY

Pastor Hobson moved from city of Chicago because it is too much big government and regulations. The tax burden is too high in Chicago and Illinois. Illinois residents has been moving out of the state since Pat Quinn was Governor. Pastor Hobson is not making up comments from Illinois residents up to summer 2015 on high tax burden and big government in Illinois. Illinois residents says that Democrats in the legislature makes them angry on implementing new taxes and increasing taxes. Illinois residents complained that they are angry at the Democrats in the state of Illinois causing them to have less money in their pocketbooks. Low-income communities in Illinois deserve to prosper and get out of poverty. How do Democrats in Illinois expect low-income Americans to get out of poverty if they continue to takeaway income and money from working Americans. When Pastor Hobson was living in Chicago, he was living in poverty and struggling to pay liabilities. Pastor Hobson was running low on cash and personal finances much faster in Illinois. He opposed Cook County Board President Toni Preckwinkle Budget because it provides new taxes on Americans. He opposed President Obama increasing federal budgets since 2009 because he supports reducing our national debt. If you want to be able to prosper and get out of poverty, Pastor Hobson encourage Illinois residents to leave the state of Illinois. Community Employment Program jobs were moved to the south to allow workers to pay less payroll taxes and earn more income. Nine Democrats in Illinois General Assembly opposed his previous budgets that will grow the economy to create jobs. He submitted \$32.9 billion state budget and \$40.1 billion to fund education, lower taxes, affordable healthcare, social services, youth programs, fund pensions for teachers and government workers. Since Pastor Hobson moved out of Illinois, he has been able to live financial stable. Pastor Hobson left the state of Illinois because he is an independent on economy, poverty, taxes, trade and immigration. Pastor Hobson left the state of Illinois because he is conservative on national security, government spending and terrorism. Illinois General Assembly cares about their own self-interest and not working with their constituents. Illinois General Assembly chooses what they want to do and not take their constituents seriously. Pastor Hobson do not try to work with the Illinois General Assembly no more because his actions are submitted to committees on Capitol Hill. Illinois residents are better off moving to state with balance budgets, lower taxes, no bureaucracy and big governments, and has budget surpluses. Pastor Hobson says if Americans want a breakthrough for their prosperity and personal finances, people need to leave Illinois to have prosperity and financial stability. Pastor Hobson do believes providing taxes to fund governments and programs, but not more taxes to take money away from American households to cause Americans to live in poverty. Based on a recent survey from Pastor Hobson political strategist, 50% of Americans in the Midwest support him. 46% of Americans oppose that Pastor Hobson in Midwest. Income inequality has increased under President Obama than other previous Presidents based on political and internet sources and black communities has been falling behind. US troop withdrawal from Iraq was a political disaster in the Middle-East and started the influence of ISIS to take control of the region. Pastor Hobson believes Obama administration provided a vacuum and lost the peace in the Middle-East. Libya intervention by Hillary Clinton provided a vacuum and lost the peace in the Middle-East.
