The church will go back to providing financial assistance like in the past according to church financial records and bank statements.
- Bishop Hobson will host a press conference to answer questions with other church staff from reporters and the public in the Southeast Michigan community.

IV. Giving

- Giving during service is more than just dropping in money on an offering plate; it is a heartfelt act of worship. It shows our gratitude for all that God has given us and supports the church work in spreading love and hope. When we give, we are not just donating funds, but investing in something bigger than ourselves, helping build community, and sharing God's grace with others.

V. Scripture Reading

"For God shows no partiality. For all who have sinned without the law will also also perish without the law, and all who have sinned under the law will be judged by the law. For it is not hearers of the law who are righteous before God, but the doers of the law who will be justified."-Romans 2:11-13
