

Series: Self Control in Holy Spirit

Topic: Do not hate on Successful and Sophisticated people

Galatians 5:16-22

People that hate on people and do not give people a chance to lead are dream busters. People that protest against people is dream busters and do not give people a chance to lead. It is the same situation with Donald Trump because liberal media, protectors, Democratic Party, and extreme right group are not giving Donald Trump chance to lead this nation. Dream busters attack successful people on their cheerful giving and community outreach to most vulnerable, economic disadvantaged, poor, homeless people. Haters and wickedness people do not give people an open mind and chance to be a leader. I want to tell community and religious leaders do not worry about haters and wickedness because they are wrong to judge and hate on people success. It explains the reason why hoodlums follow their own destiny and on their own stuff today. It explains the reason why hoodlums follow their own path and sagging pants. Sagging pants by males are not being a man because cause males to look gay and LGBT. Men and women on earth that sin and live by the flesh will fall and will not go to heaven. Men and women that sin and live life by the flesh will not obtain the gift of eternal life in heaven.

Real men do not sag and act like hoodlums

Real women do not settle for hoodlums that care about sex

Real women do not settle for hoodlums with no education or career goals

Real women do not settle for hoodlums sag their pants and Hustle people for money

Real women settle for Christian and honest men on earth

What happened to the times when men were professional and taken more seriously. People back during the civil rights movement were more professional and taken seriously. You do not see positive male or female role models today because youth are out here on their own stuff.

Things Americans cherished during the civil rights movement

- Did not provide hate on one another
- People were unified and stood up for their beliefs
- Ant-slavery
