Jesus will take back his kingdom and undo what the devil has done on earth. As Christians and disciples, we must provide more believers to the kingdom to let everyone know on earth to believe in the resurrection, he died for our sins and risen again. Christians and disciples get all our wants and needs through Jesus and Holy Spirit forever.

1. Jesus died for our sins
2. Jesus mark intercession focus as Christians and disciples
3. Jesus make decisions on judgment day in heaven
4. Jesus wants us to meditate and pray daily.
5. Jesus wants us to be holy and love him in the Holy Place in the tabernacle.

Christians and disciples have strong contentment to the Lord to eternal life in heaven. After repentance, Christians and disciples live a new life in Christ. Christians and disciples must respect their elders, other people and comfort each other. That is what Christianity and discipleship is all about. Christians and disciples have to be cheerful giver in order to receive. Christians and disciples preach and teach to each other.
