

Series: Living Under God Covenant with Gladness
Being Dependent on God for Everything

Heavenly Father,

Thank you for this message I will deliver to this flock.

I ask you to give me traveling mercies while I travel back to Detroit on August 28, 2024

I ask you to continue to look over me while I am traveling back to Detroit and living in Detroit.

Thank you for what you have given me while I was living in the NYC area for three months.

Strengthen our hearts as a mustard seed to heaven in our daily lives

Help more people on earth seek God and stop relying on politics and the sinful world for their answers.

Help more people on earth seek God and let more be cautious using our freewill that you have given us.

I ask you to continue guide me while I make my transition back to Detroit where my personal finances always get better.

Strengthen my personal finances and this flock while we are dealing with tribulations from the Sinful world.

Guide us during our trials will deal with daily in our lives while are either dealing with homelessness and poverty.

In Jesus name, Amen.

"Let all that I am wait quietly before God, for my hope is in him. He alone is my rock and my salvation, my fortress where I will not be shaken. My victory and honor come from God alone. He is my refuge, a rock where no enemy can reach me. O my people, trust in him at all times. Pour out your heart to him for God is our refuge. Common people are as worthless as a puff of wind, and the powerful are not what they appear to be. If you weigh them on the scales, together they are lighter than a breath of air. Don't make your living by extortion or put your hope in stealing. And if your wealth increases, don't make it the center of your life. God has spoken plainly and I have heard it many times: Power, O God, belongs to you; unfailing love, O Lord, is yours. Surely you repay all people according to what they have done."-Psalm 62:5-12

What we need to do as Christians and disciples is pray and depend on God for everything. We do not need to call on God for little and very little. We need to depend on everything through God because he is the rock of our salvation and personal savior at the throne in heaven. We read the first part of this scripture and the first thing we need to think about as Christians and disciples is having more of our hope in God, not the world. If we are living in the struggle and dealing with our tribulations, we need to have hope in God and Christ Jesus kingdom at the throne in heaven. When you have 100% hope in God, you are more likely to get a breakthrough for heaven. Turn to the person next you and say do not put your hope in the world and the devil. Turn to the person on the other side of you and say Christ Jesus as the rock of my salvation. When you have hope in God, you will live a smooth and righteous life on earth. You do not worry about your life being shaky or shaken. When you depend on everything through God:

1. God can improve your inner circle spiritually and keep you away from enemies or people that rather hate on you and call you negative names. If people disrespect you and call you names, ignore them because Christ Jesus will judge them and their hearts.
2. We were born as sinners, but God can keep us away from sinners and sin on earth.
3. Christ Jesus can keep you on the path of righteousness

4. Do not steal and kill

"They all depend on you to give them food as they need it."-Psalm 104:27

When I read and think about scripture Psalm 104:27, God has always given me stuff I need from prayer from the past to the present. That is 100% fact.

Trust in the LORD with all your heart; do not depend on your own understanding. Seek his will in all you do, and he will show you which path to take.-Proverbs 3:5-6

"Commit your actions to the LORD, and your plans will succeed."-Proverbs 16:3

This is why I say over and over again in sermons that we need to take all our actions with the Lord, not this sinful world and politicians. We do not want to depend on politicians like Kamala Harris and Donald Trump to take our actions for us from the world. That is why we need to be more enthusiastic about God in this election year and not Congress, Kamala Harris and Donald Trump. We need to let God handle all our actions on earth along with tribulations, not the sinful world. Turn to the person next to you and say let God take of you and your actions on earth.

Give your burdens to the LORD, and he will take care of you. He will not permit the godly to slip and fall.-Psalm 55:22

If we are burdened in this economy with high prices and being financially squeezed, we must give those burdens to God to have Christ Jesus take care of us in our life. Kamala Harris, Donald Trump and members of Congress are not God. People in the sinful world cannot provide miracles and blessings in our life because that is Christ Jesus' job at the throne. Christ Jesus is our personal savior that can provide us miracles, blessings and breakthroughs in our life. When we vote in election after election for Democrat or Republican candidates, we are always disappointed later or short-term. Dr. Martin Luther King, Jr. never believed in electoral politics because he believes electoral politics do not solve anything but disappoint us from time to time and/or divide us. These politicians in today's society are leading us to sin or righteousness that do not respect this as a nation as one nation under God. More of us Americans need to stay home this election year and not vote at all because we need to let God handle our burdens to take care of us from the throne in heaven. I do not mean stay home this election year and vote by absentee. I mean stay at home and not vote at all in this election and stop being dependent on this sinful world and start depending on God and the Holy Spirit to help and take care of our burdens

It looks like it is working out well financially and economically when I move to Detroit on August 28, 2024. I thank God for the opportunity that God has given me recently while living in Detroit. Since I was at Star of Hope Mission in Houston, I do not have to worry about being homeless again at a homeless shelter in Detroit. This year after I am back living in Detroit permanently my personal income will increase and I can finally get off SSI income. I have been trying to get off SSI income since March 2017 when I first moved to Detroit. My income will increase by \$8,400 while living in Detroit to maintain myself long term. All my burdens will be resolved and free of more burdens.

"God arms me with strength, and he makes my way perfect."-Psalm 18:32

God is starting to give me strength financially and economically.

God is starting to give me strength by stating to open doors for me when I am back living in Detroit.

God is starting to open doors for me while moving to Detroit based on my blessings and desires.

"Jesus told him, "I am the way, the truth, and the life. No one can come to the Father except through me."-John 14:6
