

The Covenant of Salt The Incorruptible Foundation

**The Legacy Blueprint: Building a Better You
Lord Jesus Christ Community Baptist Church
Wednesday and Friday**

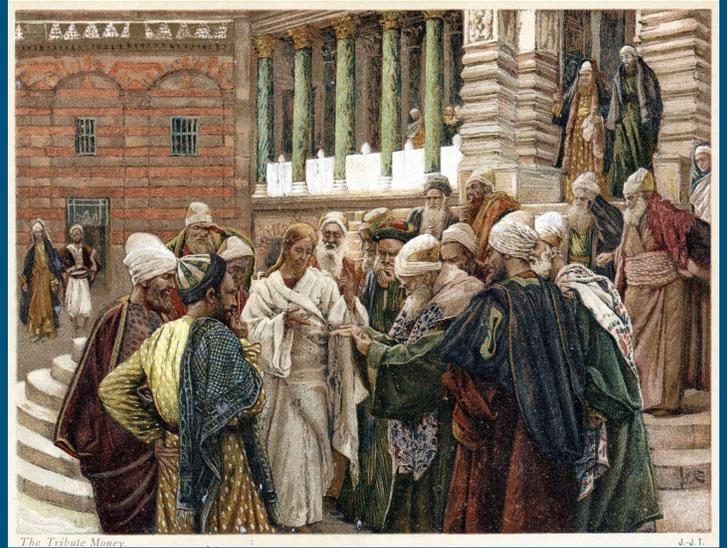

The Ritual of the Salt

- In the ancient world, covenant of salt was more than binding than a signed contract. It was a pledge of loyalty that could never be broken because salt preserves life. Today, we bring that same preservation to th streets of Memphis with our large membership that just extracted to the north to the south.
- Covenant of salt is the preservative that prevents the mission from succumbing to the rubble of corruption or delay.

Scriptures

“All the Holy contributions that the people of Israel present to the Lord I give to you, and to your sons and daughters with you, as a perpetual due. It is a covenant of salt forever before the Lord for you and for your offspring with you.”-Numbers 18:19

The Blueprint Pillar: The Legacy Blueprint

- **The Vision:** the church plans to move in large sanctuary soon to have Sunday services after the renovations and repairs are done to start having services and operations out of the building. Sunday school and fellowship events will be taken place in the new sanctuary.
- **The Social Science:** I am a trained social worker and case manager based on my volunteer experience. I am trained in Philosophy and Social Science education from City Colleges of Chicago and DePaul University. I apply a human centric to homeless relief and family reunification. With a background in Business Finance and Economics, I operate as a deficit hawk ensuring maximum ROI for every dollar in budgets and community development projects. A deep concentration in Religious Studies and Religion provides the moral framework for his 13,400 member congregation and mission ensuring every initiative is rooted in integrity and purpose.

The Social Architecture: Social Science and Restoration

- **Human Services:** The plans to reunite families by making sure individuals have a blueprint and solid foundations because I believe weak foundations among families to cause them to fall apart. It needs to be more family reunions and family members need to be dedicated to find a church home and stay loyal in the church to help bring families together. This can end sin and distance among family members today.
- **Center-Vote Civic Engagement:** The church plans to navigate more political landscapes in Memphis for community development and draft citizens engagement letters.

The Financial Game Plan: Church Storehouse Strategy

- **The Direct Deposit Assistance Program:** Salt prevents decay. The program will prevent displacement of members and residents homes. It will reduce the at-risk homelessness rate in Memphis over ten years. The program will provide \$5,000 grants to residents and members to help them stay in their homes or obtain permanent housing to eliminate the security deposit cap and burden for people.
- **Sustainable Savings:** the church will issue members and individuals in Memphis to get them started on their savings to build up their wealth in emergency fund to get or stay out of poverty. All people have to do is add to it every biweekly, weekly and monthly from their fixed income or job income.

Community Announcement to the City of Memphis

The Covenant of Salt Legacy Blueprint is ready. We did not just move to the City of Memphis. We are entering an eternal contract with the future of Memphis. No corruption, no decay, only restoration. The blueprint is seasoned and the church operations are on the ground. We are the salt of the earth. We are here to bring flavor of hope back to the city of Memphis and preserve lives of the next generation.

Discussion Questions

1. How do we ensure that our personal integrity remains incorruptible as the salt we use to symbolize our mission?
2. How does leveraging these institutional resources actually increase our sovereignty rather than creating dependency?
3. What is the exit strategy for the rubble of our past?
4. How do we leave the rubble and static mindset behind to embrace our destiny?
