

Series: Contentment in Christ
Contentment in God's Provision

We must understand trusting in God's provision and recognizing his blessings in our lives today. We must appreciate that God gives us or if we don't pass those blessings on to someone else that will honor and appreciate them. As a man of God and Bishop of this flock, I thank God for his blessings and during unexpected situations. Sinful people on earth and continue to sin will not get into heaven. Sinners will burn in the lake of fire in hell after people die on earth. I say that my grandmother is spiritual, but I say her getting into heaven is questionable. She is still not honest about what she did when I was in my mother's womb and kicked us out of the house at age 19.

"And this same God who takes care of me will supply all your needs from his glorious riches, which have been given to us in Christ Jesus."-Philippians 4:19

When I read the scripture, you are a sinner that continues to get your needs and possessions on earth. People are sinners when they have sex with the same gender in the LGBT community. That is why I say homeless shelters in this nation need to be like the Star of Hope Mission and Helping Up Mission in Baltimore. Gifts need to come from heaven, not on earth. Newborn babies in the womb come from the gift of God from heaven, but women destroy his gifts of human life on earth by listening to liberals and the Democrats. Liberals and Democrats want more people to burn in the lake of fire in hell with Satan. People need to understand people are stuck in hell forever as one of Satan's angels. I want to give you advice not to give any homeless men and women money on the streets because it is more likely they will use the money to buy drugs and alcohol with it. Life is precious on earth. If a homeless man or woman wants to desperately get help to get life back on track, they need to go to a homeless shelter to receive help with three meals a day and a roof over their head. If they do not want to seek shelter to get off the streets it is on them. Homeless men and women are human trafficking asking people for money on the streets.

If you continue to listen and trust the devil, you will end up in hell with Satan and burn in the lake of fire. If you continue to deny God and live like a sinner, you will end up in hell with Satan and burn in the lake of fire. If you continue to love the world and sin, you will end up in hell with Satan and burn in the lake of fire. I will continue to call the LGBTQ community the basket of deplorables because they are the most sinful group of individuals that like to date the same gender and have sex with the same gender.

"That is why I tell you not to worry about everyday life—whether you have enough food and drink, or enough clothes to wear. Isn't life more than food, and your body more than clothing? Look at the birds. They don't plant or harvest or store food in barns, for your heavenly Father feeds them. And aren't you far more valuable to him than they are? Can all your worries add a single moment to your life? And why worry about your clothing? Look at the lilies of the field and how they grow. They don't work or make their clothing, yet Solomon in all his glory was not dressed as beautifully as they are. And if God cares so wonderfully for wildflowers that are here today and thrown into the fire tomorrow, he will certainly care for you. Why do you have so little faith? So don't worry about these things, saying, 'What will we eat? What will we drink? What will we wear?' These things dominate the thoughts of unbelievers, but your heavenly Father already knows all your needs. Seek the Kingdom of God above all else, and live

righteously, and he will give you everything you need. So don't worry about tomorrow, for tomorrow will bring its own worries. Today's trouble is enough for today."-Matthew 6:25-34

Demons are fallen angels. Satan and his demonic entourage have limitations. The diabolic aim is worship. There are two important diabolic guises. Christ is the victor over Satan. Demon inhabitation is real. Believers cannot be demon inhabited. The devil and demons have no future with God. We may have a blind spot.
