

Series: Warfare
Evil and Hate

Evil and hate is not supposed to be part of society on earth because God hates that. When we try to seek the Lord and Holy Spirit, we are not supposed to provide and promote hatred about other people on earth. We are supposed to be loving and respectful people on earth in order to get into heaven with gift of eternal life. People cannot promote peace until they renounce their wrongdoing on earth with repentance. When we repent for our sins, God will forgive us and heal our hearts. When we confess and repent for our sins of our wrongdoings and sins, God will cleanse your heart of all unrighteousness. Hate and white supremacy is evil because it is evil and provide violence in communities with killings, death, church and cross burnings.

God will judge people that promote violence and hate against others on earth. Our nation is being converted back to times of segregation and racism with a leader of government trying to divide us and tear down opponents. It was black civil rights leaders lost their lives by standing up for their advocacy and beliefs. Dr Martin Luther King, Jr. was killed by white supremacy in Memphis, Tennessee. Hate is not moral in our society because it is wrong and threat to humanity. We do not want to go back in time in this country before America Voting Rights Act and Civil Rights Act. Only people had a voice in this country before 1965 were white people with the right to vote. We do not want to go back to times when businesses posted signs say "No Colors Allowed."
