

Signs of Deception in our Society

God True and Motivated Prophets on Earth

It is starting to become more false prophets in the world because people and communities witness church burnings and killings. Nine African Americans shot in the Charleston church shooting by Dylan Roof will be prosecuted by God. God prophet is the person on earth that is a servant from God that obey God law and commandment. I want to explain the true facts about God covenant. God prophets are not wicked and attack the church as well as the bible. God prophets do not think they know it all about the bible. Fake Christians are people that attack God, son Jesus and bible to individuals. Fake Christians bear false witness against others, provoke anger towards others and provide false reports. Fake Christians speak radical like extremist and Terrorists speak unAmerican and anti-American. Fake Christians talk radical Muslims that act speak unAmerican and Anti-American. Prophets inspire and pray to God.

Prophets of God are Ananias of Damascus, Eldad, Elizer, Elisabeth, Elihu, Jahaziel, How to remain faithful to Jesus and his gift of eternal life? Joseph, Jeremiah, Ezekiel, Daniel, Muhammad. Elisabeth is John the baptist mother. I preached on John the baptist to the congregation in Detroit in 2018. God prophets are servants that are evangelicals that go out in communities to preach and increase discipleship and stewardship. God prophets are obedient to the Lord daily and born again. God prophets have the fruit of the spirit and at the Holy of Holies in the Tabernacle. God has the spirit of the Lord in their hearts and has the gift of eternal life. God prophets are whole and have a pure heart. People are wicked, aggressive and provoke violence do not have a pure heart to God. That is 100% fact. God prophets have the Holy Ghost. Church has apostles, prophets, preachers, teachers, deacons. God prophets honor God miracles and blessings. God prophets believe God is the healer, deliverer, protector and providers.

Tell the person next to you: Fake Christians are liars.
Tell person next to you stay away from atheists and fake Christians

Meeting will be setup with communications team and staff about Homelessness First Initiative here in Atlanta. Meeting is being set up by myself and first lady that is Director of Church Operations. The First Lady and I found a town home in SW Atlanta. I need to start back receiving briefings with the First Lady known as Director of Church Operations. While Board of Trustees members working around the clock to enforce Homelessness First Initiative for next month, three

have been working on funding priorities for the program over ten years. As bishop, it is my responsibility for the well-being of all members. First lady say as Director of Church Operations that I only completed 97% of my 100-Hour Agenda in 2021.
