Topic: Dealing with People Bearing False Witness against Others and You

You need to ignore people that like to judge and bear false witness against you like they are haters of your success. You need to ignore people that like to judge and bear false witness against you because they are envious of your success. People that hate on you and success know they hate you taking challenges to succeed, such as young people and some middle aged people. People born up to 1980s had parents that were strict because they taught us to have goals and priorities while we are young as children and teenagers. It is only few young adults that were raised in a strict household that taught about respect and Christian households. It is good to have a transparent life on earth because people you do not have to worry about people that bear false witness towards you. I live a transparent life on earth with my personal charitable contributions and important things in my life. This is a true fact about youth and young people today: people hate on you on your success because you took the necessary challenges to succeed and stay out of trouble while their lives are feeling like it is running into walls. Good transparency in your life means people that bear false are the following: speaking falsely about you, lying about you, equivocating about you, and deceiving you, acting prejudiced about you and your reputation. People bear false witness about others because they feel guilty about themselves, such as life is running to a wall, uneducated that blames others for their lack of motivation and failures, disrespectful towards others and successful people, join gangs and hangout with ungodly people. Children born after 1990 just their children grow up and run circles around them because they were properly raised and trained as a child. Good paying jobs require higher college degree with more training for jobs.

* 7% African Americans dropout of school along with native Americans

* 28-36% of black people only have high school diploma or GED among men and women

* 23-25% of black people only have a Associate degree

When you bear false witness towards others is providing perjury in the Holy Spirit. People will be punished by death. God takes bear false witness towards others seriously. You do not be around and bear false witness towards you and other people because they feel guilty for themselves and lack of motivation. God hates people who provide abomination to him daily. People that bear false witness will continue to be punished by God. Young people and youth like to blame others for their wrongdoing and faults because they lack taking responsibility for their actions. That's why Christians and disciples are blameless because they do not blame stuff on others. Christians and disciples take action for them by talking to God and confess their wrongdoings by faith in God. It is youth and young people fault and wrongdoing for listening to idolatry throughout their lives, not pursuing their own goals and accomplishments to be successful on their own. It is not teachers and schools fault why you did not graduate or just have a high school diploma. You have the power to make your own choices to choose your path on earth. It is your fault you follow the path of unrighteousness to sin, flesh and drunkenness. It is your fault that you lack motivation to get a good education and cannot get a good career. It is your fault that you want to go through your life as a hater for sophisticated and successful people, not appreciate people on earth and around you. It is not employers fault you did not accomplishments nothing

in your life to prepare yourself for life and workforce. Righteous people know how to plan their lives on earth and manage their with God plan, such as pray and meditate to God daily, read the bible daily, no homosexuality or LGBT, respect human life on earth without abortion and murder, letting God guide you with prosperity and path of righteousness to protect your gift of eternal life in heaven, no same-sex marriage because couples needs to be man and woman, marriages need to be man and woman with children to respect the theme and story of Adam and Eve. Adam represents men and Eve represents women on earth. It is godly for children to have mothers and fathers in households, not parents letting children grow as single parents receiving alimony from other parents. Divorce and separation on families is a sin when you read read, understand and analyze the bible. It is not other people fault that you are homeless because God punish you to place you in destitute situations to test you and transform your life to Christ. God punishes homeless people because you did to many things in your life by the flesh, sin, trials, tribulations, idolatry, darkness, abomination, drunkenness and path of unrighteousness. Ungodly people lives today are still feels like they are running to a wall because they bear false witness about others, hate on sophisticated and successful people, blame their faults and wrongdoing on others, get possessions by the flesh, steal, kill, live in wickedness, listen and take in too much baggage to gossip and negative judge others, act lazy, no contentment and act unsure of themselves, and not caring and respectful to others to respect their elders. As an ordained Bishop, I have over two hundred volunteer hours in Detroit helping the homeless at homeless shelters. I have ten years of chief executive experience in the nonprofit sector in Chicago. - Unbeliever of God and Holy Spirit
- Idolatry
- Whoremongers

You must love your soul and mind your own business about others people on earth
 You must talk to your bishop and pastor if you have problem with unrighteousness and wickedness. People need to stop lying to people and telling half truths to people because you I want to be honest to people and let people help you with your problems daily. People need to stop lying and being completely honest with people on earth and around you. You want to obey God commandments to keep lying and bear false witness out of your lives forever. You need to have truth and pure heart and soul for the Lord. People providing lusts, murder, idolatry, lying, abomination, homosexuality, wickedness, guilt, pride are living for the devil that will not succeed in the tabernacle. You must be sober and vigilant as a Christian and disciple. Do not covet. People need to get out and meet new people and try to mingle because people that do not hanging out and staying in the house is called weird. People that do not get out never find out cities because they act weird.
