Gaining God Victory in Stewardship

1 John 5:4

For whatever is born to God overcomes the world. And this is victory that has overcome the world in faith.

Christians win the victory in Stewardship by worshipping Jesus as their savior. Whoever believes in Jesus has to believe that he can get things done for them. Jesus deserves to be praised by people on earth. It is not what Jesus can do for you it is what you can do for Jesus. Ask yourself this question daily: what would Jesus do?

Ask the person next to you: are you a steward and disciple?

Ask the other person next to you: do you live for Jesus?

Christians appreciate Jesus as their savior. Jesus can only give you the gift of eternal life in heaven. Jesus is the key to heaven. People that talk negative about Jesus and think they are going to heaven are wrong. Jesus do not praise the wicked and ungodly people. If you want to go to heaven when you die, you have to live in victory for Jesus forever.

Whoever calls on Jesus shall be saved. It like what the hymn says "Victory in Jesus."

We have the victory in Jesus.

Are you fired up?

Ready to go. (members shouted)

Victory in Stewardship is love Jesus not hate on him

Victory in stewardship is have full faith in Jesus

Victory in stewardship is praise Jesus name daily

Victory in stewardship do what Jesus do and increase discipleship

Live for Jesus

Work for Jesus

Worship Jesus forever

Do not hate on Jesus and God gifts of eternal life

Praise Jesus daily

Pray and obey God word daily

Declines in daily to avoid the devil forever

I want everyone to say this prayer with me:

Thank you Jesus

Come into my life and protect me from evil

Bless me on this day

Bless me from all unrighteousness

Come into my heart and soul

Jesus forgive me for my sins

Sorry for my sinful nature and all unrighteousness

Thank you for giving me another chance

God you reign

God control my life right now and guide me to eternal life

Amen

Ask the person next you: are you victorious to Jesus?

Stewards are yoked to Jesus as it talks about it in the bible. I like to say young people are not victorious in living for God because they are more homelessness. God is punishing them by taking stuff away from them. Young people today do not worship Jesus and the bible. They may say they do, but they truly don't. why do they do the kind of stuff they do today. God is punishing young people today by becoming homeless and in poverty. People that are homeless need to find themselves and accept Jesus. We are made in God image. Jesus provides success and victory in people lives by becoming a disciple. 27 Muslims walked this aisle to accept Jesus Christ as their savior and 13 young people accepted Jesus as well. I must be giving the message out to Muslims to encourage them to learn God word, not Allah. Total of 77 Muslims walked this aisle to decide and walk with Jesus. 77 Muslims signed up for Baptism the second Sunday in November. Let the church say amen.

Tell the person next to you: I am a disciple.

Tell the other person next to you: I believe in stewardship.
