Building Strong Relationship with God and Others as a Good Shepherd

I want to include what I have been saying about Muslims being all about conceit, talking about Deuteronomy 4:29 because Muslims need to apply Deuteronomy 4:29 to their life and leave that Muslim and Ramadan stuff alone. All Muslims act wicked today when you look at people like Louis Farrakhan and Maxine Waters. I message to all Christians and disciples to tell them do not let Muslims poison your mind with that Ramadan and wicked crap to confuse you and turn away from God's kingdom. You need to prevent Muslim to sending you to hell because there is no way out of hell when you go there after you die on earth. When I look and read Deuteronomy 4:29, I believe the Word and Moses are telling us the same thing we need to be doing on earth to live in God's obedience to the kingdom. My message is do not let Muslims and wicked turn you away from the kingdom and cause you to go to hell after you die on earth. I encourage you to go back to Deuteronomy 4 to get familiar with what Moses is trying to educate to the disciples and Israel. Moses was teaching and educating people like Israel about obedience to the Kingdom in Deuteronomy 4. Moses is doing his duty to the God kingdom and as God servant. We need to play the same playbook to be a teacher, servant and disciple to God's kingdom. Muslims need to turn away and stop serving their so-called master name Muhammad and Ramadan to turn to the kingdom and Christ Jesus forever. Ramadan and Muslim preaching is making muslims more disrespectful and wicked in this country causing them to turn to islamic terrorism and supporting terror groups like ISIS. That is not the way to go and be down the path of unrighteousness to become a threat toward humanity. We do not need to be enforcing violence on each other and provide shootings in houses of worship. Tell the person next to you and say be a leader and disciple like Moses on earth.

Muslims and people that worship Ramadan need to seek and find God in their heart by starting going to church. Easter and Resurrection is this Sunday. This is Holy week for all christians and disciples to worship our God Christ Jesus. I encourage you to go out and encourage more Muslims to seek God in their heart if you can. Muslims need to seek God in their hearts and stay away from trying to serve two masters such as Muhammad and God. Say turn to the Lord daily. Christ Jesus will not forsake you when you seek him in your heart and soul. When you read the bible daily in your spare time, you will hear God speaking to you through his word. It is like the spirit is speaking to you daily. When you continue to have faith in God and Christ Jesus, you will be heard from God's kingdom. Muslims must understand that it is one God and his son died for our sins and rose again. His name is Jesus and born in the manger. Muhammad and whoever Muslims worship is not a God with mercy and miracles. He is a master that Muslims worship to serve under false God. Also, some muslims that call on and worship their God Allah are somewhat good because they worship the same God we do except they call their God Allah.

What do we need to do to build a strong relationship with God and the Holy Spirit?

1. Let Christ Jesus instruct you in your life by seeking him daily.
2. Read God's word and let him speak to you through his word daily.
3. Continue to stretch your arm out to God and Christ Jesus daily in your time of need and trouble forever.
4. Continue to live for God and Christ Jesus by being your number God and master.
5. Love God as your personal savior
6. Continue to have vision to seek God in your life to end any pain, vision and humility in your life.
7. Obey God commandments daily
8. Understand that God is king of heaven and get us into heaven after we die on earth forever.
9. Continue to live by God's law and not live by the world with sin, temptation.
10. Let God guide you in your relationships and do not be distracted by the devil and world with sin and temptation.
