- Bishop Hobson will go back to doing on-camera devotion like he did in Houston in 2023 and Chicago in 2024. Devotion is always posted on social media including Tiktok, Instagram, Facebook and Threads. His previous devotion sermons are posted by video on Tiktok, Facebook and Instagram.
- Bishop Hobson is approaching his 14th year anniversary preaching in the pulpit in Chicago, Southeast Michigan, Houston and Atlanta. A series of events are being planned for next month for his anniversary. Members and their families will wear navy blue as the color for the month during services and bible study services.

**IV. Giving**

- Giving during service is more than just dropping in money on an offering plate; it is a heartfelt act of worship. It shows our gratitude for all that God has given us and supports the church work in spreading love and hope. When we give, we are not just donating funds, but investing in something bigger than ourselves, helping build community, and sharing God's grace with others.

**V. Scripture Reading**
