I ask you to help our families and friends that continue to live their life in sin and lusts.

In Jesus name, Amen.

This message will come from Zechariah 9:16-17 because it is the bad and tough economic times for us to glorify God and ask God to come into our hearts. We need to encourage our family members and friends that continue to live in lust and sin to seek God. God can save you in your life during bad and tough times. We need to glorify God in these tough and bad economic times. When you see polls today, more people say their economic situation is worse off than four years ago under Trump. When your economic situation is worse today than four years ago, this is the time we need to be calling on God as our source. Government is not our solution in our life. God is the solution in our life. Say to the person next to you: God is the solution and your source. When you pay your offerings to God continuously, God will continue to give you a breakthrough you deserve in your life. The world will not give you the breakthrough and provide you the breakthrough you want in your life. The world can lead you to unrighteousness and give something to the devil. As a flock, we must look out for one another as children of God. As a flock, we need to bring more of our family members and friends into this flock to let God save us from evil and doing unrighteousness to God. We need to pray for our families and friends' families to encourage more faith in our families to be on the right path of righteousness.

When it talked about the stones of the crown in Zechariah 9:16, we need to be the stone of the crown. We need to be the stone of the crown that worships and lives obedient to God in our everyday life. We need to be the stone of the crown that has a vision for God's kingdom to live obedient to God, trust in God and build strong faith in God with the fruit of the spirit. You need to be the stone of the crown that continues to walk towards the light of God and do not care what people think about you. You will have people that will disrespect you. In today's society, children were not raised like people like me in a disciplined household with a mother and father. Children in today's society grew up in households where they act ignorant and disrespect their elders and gossip about people around them. I do not care what other people say about me if they are young, children or older, I let God guide me and let God protect me. I have the deep fruit of the spirit in

my heart not to worry about the sinful children, people and things in the world. That is one thing I learned from the Spiritual Recovery Program at Star of Hope Mission in Houston is let God guide me and do not worry about the world and what others think of me. Since I left Star of Hope Mission in Houston to come to Philadelphia, I worry about my life and my vision towards God that what I learned from case manager-Pastor John Johnson. God has shown goodness in my life because I keep my focus on God to accomplish my goals and accomplishments. My accomplishments have come from God, not the world because I do not live and depend on the world. My success and prosperity in my life has come from God with my vision from the kingdom. We need to read and stick to the book of Galatians to let God train us on how to live our life with the fruit of the spirit. I encourage all people to read the book of Galatians because it is a good book to read to learn from Paul on how we need to give up our wicked and sinful ways to live our life with the fruit of the spirit and stop living by the world. All the world will do is lead us to the path of unrighteousness with sin, temptation and idolatry. I encourage people to tell more of their family members and friends to read the book of Galatians.

When Zechariah was speaking in Zechariah 9:16-17, he was talking to Gabriel in the bible when talked about rebuilding Jerusalem. God gave me the wisdom to preach on this scripture because we need to rebuild this nation as servants and disciples to God to encourage everyone in this nation to stop living by this sinful and unrighteous world to seek God and live in the path of righteousness. We need to rebuild this nation and help rebuild our communities to save as many people as we can from living in sin, temptation and unrighteousness from God.

Heavenly Father,

Thank you for this word given today to expand our knowledge and wisdom as disciples
Let us use this word and message from today in our life going forward to take back to their households and communities

Let us use this word to improve our inner circle to keep our faith strong for God and the Holy Spirit.

In Jesus name, Amen
