

Atheism is Liars about God and Bible on Earth, Part II

People under age 45 are lost on earth because they are just out there and believe what to believe. People under age 45 are lost on earth and live life by sin and the flesh. People under age 45 rather live life by sin and flesh forever. People under age 45 will guaranteed to go hell. It is the reason why people under age 45, atheist, sinners and wickedness live for the devil by stealing, killing and destroy on earth. It is reason why you see many people under age 45 killing young children in this country today because they are living their lives by the flesh and sin. People under age 45 act as slaves to the devil on earth. I apologize to the Lord for any distractions from him and try to keep my life focus on him daily.

People under age 45 act ghetto, disobedient to the Lord, sinners. People under age 45 live life by the flesh. I want to tell parents with young children to raise your children right my parents done my sister and myself. My parents raised us the right way because we were not raised to grow up to be ghetto, low and lack of enthusiasm, dropout of school. Christians and disciples has the power to help themselves while on earth. It is only less people under 45 and 25 that care about worshipping the Lord and God word in the bible. My sister and I were raised to stay out of trouble and never been in prison or jail. I never smoke or do drugs. I just said no to drugs from childhood until today. My sister does not do drugs either. We were never sprung out on drugs since our childhood. I grew up on the southside of Chicago in Morgan Park and Roseland (60643 and 60628). God has 100% transformed my life since September 4, 2011 after baptism. When I pray to the Lord, it feels like Jesus hears me at the throne in heaven. People under age 45 need to stop listening to that hip-hop/rap crap. My sister and I were raised to have priority and set goals by staying in school, work and become successful. My sister and I were raised by our parents that opportunities will not come to us. We were raised that we have to go pursue opportunities in private sector. The something I pass down young people under 25 and 45 today.

Tell the person next to you: God is your provider and deliverer.

Tell the person next to you: it is a God and ignore wicked and atheist on earth.

Tell the person next to you: anchor yourself from sin and the flesh

Things that Christians/Disciples don't do on Earth

1. Do not let atheist discourage you for worshiping the Lord.
2. Do not let atheist tell you God is a phony and Lord Jesus Christ is a lie. 100% fact they are liars on earth. It is a God. Christianity may call their God differently, such as Muslims called their God "Allah." Koran is somewhat the same as the Holy Bible, but some of their beliefs are different from other Christianity and/or religious groups.
3. Do not let atheist and sinners abuse your power to serve the Lord on earth to eternal life.
