

Obey God Word of Truth, Part I

It is important as christian and disciples to obey the word of truth because everything that God and Jesus said in the bible to people and his disciples is true. You do not need to listen and be persuaded by others that the bible word and truth about the gospel is false. People tell you God and Jesus' word is untrue means they live in sin and Satan kingdom. All you need to do as Christian and disciples is pray for those people. You need to pray for people that speak negatively about the bible calling the bible and God word lies. After you hear negative things about the bible and God, you do not need to negatively attack their religion because we need to respect all religions in evangelicalism. I know churches that preach about God and the Holy Spirit is real. People that continue to speak atheist around you and act like the antichrist pray for that person and remain distant from that person until they get their calling to seek God for real on earth. If you continue to listen to Satan kingdom to deny God as the word of Truth, you are cursed. We do not need to fall into the darkness and situation that Adam and Eve did in the garden of Eden that leads them to make wrong choices that lead them to sin. God's word of truth in church and bible will help us as christians and disciples succeed in the Holy of Holies in the Tabernacle. Also, God's word of truth will lead us to get past the gates of heaven with our gift of eternal life.

Your job as a christian and disciple that maintains their place in the Holy of Holies in the Tabernacle to announce the gospel, profess the faithful for yourself and God, and worship God to live your life by God's will. This is not the time to be an outsider because you are living with high inflation and an economy that economists say is getting worse not better. It is time to seek and worship the Lord with strong faith in his word as the word of truth. People that continue to get things and possessions by the flesh and Satan kingdom will continue to fall in life on earth. People that seek the Lord and Jesus in these bad economic times listen to the word of truth from God will continue to get praises from heaven. I want to say that wherever I go on this earth, community, neighborhood or state, I feel like God has a wall of angels around me to protect and guide me to righteousness as well as anointing on earth. God controls my minds and thoughts daily because it explains why I feel God always hears me daily and praises from God. I listen to God only in mind and soul on what he thinks I should do in my life and no one else. God is leading me to make a decision right now to stop other things that are not Godly and just focus on the congregation and God only as my heavenly father and rock of my salvation. After tomorrow afternoon at 3:30 pm, I will listen to God and his kingdom to just focus on the congregation and church operations. After tomorrow afternoon at 3:30 pm, I will listen to God as my rock of my salvation and not focus on any second job or anything else to get by. When I am in a financial squeeze in my life and/or living in temporary economic struggle, I know in my mind and heart that God got me and blesses me to get me out of those bad situations. All I do is continue to keep my head up to heaven and God today to receive his praises and blessings. I will continue to say God is awesome. God has helped me in my tough times to help me pay rent and living expenses

because he guides me in my life in bad and good economic times. My favorite scriptures that guided me in my life on earth is the following: Psalm 146:1-7, Psalm 119:66, Galatians 5:17-22, 1 Timothy 6:6, Psalm 31:23-24, 2 Timothy 4:7-8, Isaiah 26:12, 1 John 5:14-15, Proverbs 14:21, Matthew 5:6, Matthew 6:6, Psalm 112:6-7, Psalm 37:30-31, Deuteronomy 7:21, 2 Corinthians 9:7, Psalm 34:12-13, Isaiah 33:15-16, Ephesians 2:10, Isaiah 54:10, Romans 12:12, Psalm 27:14, Micah 7:7. These scriptures in the bible have guided me in my life as a christian and disciple to help me accomplish things in life under God and his covenant. I keep note and God has answered all my prayers from the past and present. I thanked God for answering my prayers every time. Out of all my family members among living and deceased God chose me. God wants to serve and work for him only because I have strong faith in God and believe Jesus at the throne in heaven tells me that every day in my life today and in the past. I made a decision right now that starting tomorrow afternoon after 3:30 pm that I will not work for no one else except God as my rock of salvation and serve for God as my chistian and discipleship duty. I do not let no one help me make decisions in my life on anything because God is the person at the throne in heaven that I listen to as a servant to God, christian and disciple. God is my heavenly father that guided me to make the decision starting tomorrow evening to start focusing on him, serving for him as a servant and discipleship, and working for him as my christian duty. I told you this story because people here and in this nation need to follow my footsteps to seek and follow the Lord in their life. People need to take my story as an example on how they should live their life as christian and disciple, not depend on Satan kingdom, flesh and darkness. I want to tell you this story because I want you to know God has pulled me out of the darkness years ago and pulled me into the light. He pulled me into the light to live by and for him on earth. He got me to be born again and live by his word of truth in my life. God has pulled me out of darkness into the light, he can do the same for you or someone you know that continues to live in the darkness and sin. People need to come out of the darkness in these bad economic times to the light so God can save you and let him pass on to you his word of truth to live righteous and holy. It is time to be humble to God with his word of Truth.

We do not need to be takers and depend on ourselves in these tough economic times because Satan wants us to be stuck and trapped in poverty and debt. Satan wants us to struggle in this bad economy that cannot afford and get access to food to feed our families. Everyone in this room and people around you tell you not to believe in God and the Holy Spirit does not believe them because they want to lead you into the darkness and satan kingdom to live in the world. God created the universe. That is 100% fact. Do not believe in unrighteousness, indignation and wrath because it will lead to satan kingdom after you die on earth. After you die on earth and end up in Satan kingdom, there is no way out and no gift of eternal life. Do not do tribulation, anguish and evil because it will lead you to satan kingdom after you die on earth. Worry about your own life and get out of other people's lives because Satan wants us to be in other people's lives and business to cause envy, hatred, bear false witness, sin, temptation, steal and kill and disobey God commandments. It is time to worry about your own destiny and what you are doing in your own life on earth.

You need to ask yourself daily in your life if you love the Lord. You love the lord enough to obey his commandments. If you do not obey God's commandments, it means you do not love the Lord and do not get the gift of eternal life in heaven. If you are a taker and do not help the poor, you do not love the Lord. If you continue to provide evil and enemies, it means you do not love the Lord. We must be honest with ourselves in order to love and seek the Lord while on earth. If you need to find yourself and seek the Lord, you need to start out spending time by yourself for a while and get to know yourself. It is a good way to help more people find themselves to lead themselves down the path of righteousness and truth.

Say to person next to you that God kingdom is real

Say to the person on the other side of you Jesus' resurrection and heaven is real.

1 Peter 1:21

Romans 2:8

2 Thessalonians 1:6-9

John 14:15

John 14:6

Deuteronomy 28

John 8:32

With Republicans winning the US House of Representatives, I will take more visits to Capitol Hill along with church staff and advisors to obtain more grants to fund programs and services that will benefit low-income Americans and help ending homelessness. That's why my church staff is right now planning my agenda for the next ten days, which means starting tomorrow evening after 3:30 pm. I have important meetings set up throughout next week during the day, such as 10 AM, 2 PM, 2:30 PM and 4 PM on Monday, Tuesday, Thursday and Friday. My busy schedule will be similar for upcoming weeks. I plan to host a new Stop Crime and Violence, Fund the Police. I plan to be on the road in upcoming days and weeks in Chicago, Atlanta, New York City, Cleveland and Louisville for homelessness outreach and ending poverty by promoting new ideas to end homelessness and poverty.
