

Living within God Grace on Earth

Dishonoring Jesus is Bad

When Jesus criticize Jesus and Holy Bible is bad. Muslims that discriminate and criticize God and holy bible do not respect our holy God and his word. God is holy. Jesus is holy. Women are disrespecting Jesus that provide creation and life on earth. Women that get abortions do not care or respect God creations. If women do not want children, they can send them to foster homes and give other families an opportunity to raise them. Life is precious on earth. Abortion is murder to babies in the womb because they are humans created by God on earth.

Same-sex marriage is dishonoring God word and bible. Jesus created families with one man and woman with children. Believers are pro-Israel not anti-Israel. In order to succeed in the tabernacle, you must honor God and Christians on earth.

Tell someone next to you: God is holy.

Tell other person next to you: Heaven is my kingdom.

Cursing is a sin and sinful nature.

Not going to church dishonor God

Disobey God commandments is dishonoring God

God is our healer

Whoever get an abortion and provide sin, will have to answer to Jesus on judgement day.

Jesus is the rock of our salvation.
