

Have Faith, Pray to God for Your Wants and Needs on Earth

Christians and disciples pray for what they want and need for God to help themselves to accomplish. If you are homeless and living in a homeless shelter, you need to pray to God and speak to him through prayer to ask him about helping you obtain permanent housing. If you are low-income living in shared housing with other strangers and do not like it, you can pray to the Lord to help you in the near future to obtain permanent housing. Shared housing is unpleasant and a poor living environment. If you are college student pursuing college degree, pray to God to give you wisdom and knowledge to succeed in your higher education. Jesus can help you with your life and prosperity daily.

Christians and disciples ask for success from the Lord each day. When you have faith in Jesus and Holy Spirit daily, you will be heard and saved by Jesus at the throne in heaven to eternal life. We need to take the steps that Nehemiah took when he motivated the Israelites to rebuild Jerusalem wall.

Steps that Christians and disciples need to do:

- Pray to God
- Announce the Goal
- Visualize the project
- Motivate people
- Delegate the work
- Overcome the opposition
- Remove obstacles
- End oppression
- Stay on course
- Finish strong
