Triumph of Forgiveness

You do not need to be addicted and struggling with drug and alcohol abuse in your life. You do not need to be addicted to sex and provide fornication because it is path of unrighteousness. Sex and marihuana addiction leads to the devil. We need to follow God plan and his commandments. Do not act desperate in any situation to satisfy people for sex and doing ungodly things to fit in with people. Do not act desperate to be friends with anybody to lead to sin and ungodliness on earth. Do not hit your spouse or person you are in relationships because we need to end violence in America and households. We need to stop with bullying and beating people up. Men need to make women feel safe in households. Women need to make men feel safe in households.

- Stop sinister strategies in America and households to kill and provide violence
 - Stop hurting and harming over selves and relationships
 - Stop harming ourselves and families
1. Where do you run when you find yourself burdened by someone you have done or said?
 2. When someone comes to you who is struggling with guilt, how do you advise them?
 3. Where do you sense exile in your life?
 4. How are you hearing God calling you, showing how you return home?
 5. How might God be strengthening you by letting you take a longer way in life?
 6. How can you remind yourself to keep trusting him?

God will forgive you for your temptation. You do not want to be far away from God in any situation in your life. You do not want to be distant from God in any situation in your life. God will bring you home by opening your heart to him and his gift of eternal life. You do not lose trust in God if your prayers do not be answered quick enough. You must open your heart to God and have patience. If you do right thing in your life and remain righteous, God will come through for you.
