

Signs of Deception in Our Society

How to have good integrity as a Christian?

People need to handle their attacks and confrontations in a way it will not damage their integrity. It is what Bernie Sanders negatively attacked Hillary Clinton in 2016 Democratic Primary debate and he never apologized for it. Christians and disciples do not get involved with gossip. Some of My family members and friends gossip about other people around them. This is a nation under God and we need to maintain peace to bring this nation together. People need to worry about their problem, not be part of other people's problems. This supposed to be nation under God that All Americans need to be humble. We are all supposed to have fruit of the spirit in our hearts. Donald Trump did not have the integrity and temperament to be President of the United States of America. I was happy as an independent to vote him out last November. When I was an undergraduate student in Chicago, I learned in international relations class about the history of the Republican Party. Donald Trump damaged the Republican Party for four years to place the political party back down the path thinking Americans are irrational. Donald Trump led the Republican Party down the path of realism, so the First Lady left the Republican Party and became an independent in the last election to vote for Biden-Harris. Violence and racism has no place in government and politics today. If you are racist and like to incite violence as a politician, they need to resign and never run for elected office again, including Donald Trump.

In 2020 election, it is time to sound alarm on Donald Trump because we need to end division and corruption from the Trump administration. Donald Trump ended and disrupted Americans way of life with the pandemic and provided more benefits to the top 1%. Donald Trump supposed free speech and first amendment, but he used it wrong way to tear people down that did not agree with him. People with good integrity are honest, trustworthy, hardworking, responsible, helpful and patient. Donald Trump did not have integrity to be President because himself and The administration was not trustworthy and liar.

Ways we need to act as Americans and as a Nation

- We should submit ourselves to God known as our authority
- We must speak and be good to everyone in public and private settings without violence
- We must be all about sharing and gentle to all people including God
- We must serve God and be a motivated cheerful giver
- We must sound alarm on divisive people
- We must respect all evangelicals and Christians in this nation that vocal to the Lord
- We need to reward honesty from individuals
- We need to admit our mistakes
- We need to respect the first amendment and right to free speech

Church filed 990 N for 2020 on Internal Revenue Service (IRS) website on Ja 29, 2021 because the church is not required to file Form 990 every year. Church has spent and raised \$266.98 this month based on Board of Trustees briefings. When I voted and supported Biden-Harris this past election, I supported Biden-Harris 51% and Trump-Pence 48%. At the beginning of Biden Presidency, I support and approve Biden 76%, but it is subject to change.
