

John 10:9-16

Values of Shepherding

Heavenly Father,

Protect this flock and our own flock among our families from evil

Protect this flock and own flock among families and friends from enemies that continue to hate on us.

Strengthen our spiritual gift in shepherd to strengthen our hearts and soul as a mustard seed for God.

Thank you for our shepherding to your kingdom.

Thank you for my determination and my spiritual gift for shepherding.

Guide and help more people with shepherding to understand boundaries and help provide understanding of the importance to live as a shepherd under your covenant.

In Jesus name Amen.

Isaiah 63:11

Jeremiah 23:2

I want people to start a journal about how you perform shepherding for God on a daily basis. This discipleship exercise will help people improve themselves daily about strengthening their hearts and shepherding for God as a mustard seed to the kingdom. We need to start a journey on how we value our shepherding to God on a daily basis. This is another way we can strengthen our shepherding in our families and while we people are dealing with homelessness.

1. Boundaries are part of shepherding because we need to know how to live under rules like serving for God and the Holy Spirit. This is a key step for Godly people because we need to know right from wrong. We need to pray for homeless men and women that have problems living under boundaries. We need to pray for homeless men and women to encourage them to live under boundaries and let God move them in their life. You see homeless men and women living on the streets because they are feared living under boundaries and obeying rules at homeless shelters. What wrong living under boundaries and rules. When I was in the Spiritual Recovery Program at the Star of Hope Mission in Houston, I never got written up at all except for I only got one written notice when I was at level one of the program. If I never got written up at the Star of Hope Mission in Houston, I know anyone can do what I did and obey simple rules and live under boundaries.
2. We need to follow Jesus as the rock of our salvation. It means to live obedient to God and the Holy Spirit. Pray and meditate to God daily. Living a strong prayer life to God and the Holy Spirit. Reading and understanding the bible daily. Finding a church home and attending Sunday school.
3. Sacrifice yourself to God to live in the path of righteousness to God's kingdom.
4. Invest more of your time to serve and worship God including being a cheerful giver.
5. Trust God daily
6. Be wise and rational
7. Obtain vision while serving and worshipping God daily in your life on earth.

When you continue to serve the Lord as a good shepherd, God will continue to be with you and bless you as the rock of your salvation forever until you die on earth. As a christian and disciple, you are a shepherd of God flock.
