

Be Disciple, Respect Mankind of Society of Adam and Eve

Homosexuality and LGBT is an abomination because God hates homosexuality. All couples are supposed to be men and women with children. Adam represents men on earth and Eve represents women on earth. Women should not be having sex with other women on earth. Men should not be having sex with other men on earth. We do not want to have any confusion in our lives and the Holy Spirit. That's why more people in the LGBT community are discreet because they are secretive about their sexual orientation.

Why are women afraid to have men in and a part of their lives?

It means women rather commit and have sexual relations with a woman to provide abomination and live in the darkness. They do not want to prosper in the Holy Spirit. Women rather listen to the flesh and freewill to enter intimate relationships with other women on earth. Jesus' mother was not a homosexual. Jesus did not grow up as a homosexual. Adam and Eve were not homosexuals. It means women want to be unmarried and be on homosexual websites looking for other women to have sex with as one night stands or find their gay soul mate.

Why are men afraid to commit and have women a part of their lives?

It means men rather commit and have sexual relations with other men. Homeless shelters are homosexual battlegrounds for men and women based on accurate data and statistics. Men rather cuddle with another man, than respect Adam and Eve to let couples be a man and woman on earth.

- 80% of males in Atlanta are homosexuals and known as homosexual capital in the United States of America.

Homosexuality and LGBT are unrighteous.

Homosexuality and LGBT do not represent the kingdom of God.

Homosexuals and same-sex couples will not represent the kingdom of God because it provides abomination and darkness. Christians and disciples are not supposed to eat pork. If you know from your soul that homosexuality is wrong. Pray to God on it and ask Jesus about providing guidance to you about leading down the path to homosexuality. You need to ask yourself if this is the right thing to do as a servant and disciple to God. You want to pray daily to keep abomination and homosexuality out of our lives forever. If a LGBT or homosexual is making a pass at you, you want to call on Jesus to ask him and what would he do? God is watching your soul every day.

- Devil is not about love.
- Devil is about evil.

- Devil is not about hope and consolation.

God promises faith around us on earth. God promises faith to us as the rock of your salvation.
