

Signs of Deception in our Society

Do not let Evil and Sinners Damage your Salvation

Psalm 119:155

Psalm 1

Psalm 32:1

You must meditate day and night

God will punish you for your sins because people will be punished by God that try to prosecute people that are trying to start trouble with people. Innocent people need to get away from sinners that try to start trouble with them as well as prosecute them. That's why I am moving into my permanent housing mid-week of this week to leave Alabama forever. It is bad people here in Alabama that are disrespectful to good people and try to prosecute good and humble individuals here in Alabama.

Stay away from greed, pride, wrath, lust, gluttony

Stay away from sin in your life

Stay away from sin to avoid a trouble life on earth

When you are in a situation around haters and wickedness people trying to be envious and judge you, you need to prove them wrong with transparency. I learned that as college student and undergraduate from experts on campus and professors. God will not save people that continue to be the enemy and prosecute people daily. People that continue to sin will not be saved by God. Landlord in Birmingham at 1524 Cleveland Avenue always told lies, division and destruction based on true facts from Alabama investigation from legal counseling taking place now. I am truthful and God knows that I am truthful in my heart. People must be truthful to make sacrifices to God forever. Christians and disciples provide love and minister God's word. Christians and disciples do good in their lives. Many witnesses are gathered by legal counsel to testify to grand jury at the end of the month. Grand jury will rule on the case along with federal judges. Legal counsel will take the case to the United States Supreme Court. Legal Counsel will release full report to the American public after the case is wrapped up. It is 23,234 witness plan to testify to grand jury. As a Christian and disciples, you are a new creature and you are humble to God. You live longer on earth when you avoid sin and temptation. We are buried with God after we are born again in Christ because you are living a new life in Christ. Christians and disciples are all righteous in their hearts daily. People that continue will not go to heaven and receive holy ghost because they bear false witness, false reports about others and evil. Christians and disciples show love and respect for each other.

God cleanses us from all unrighteousness. When you continue to lie, evil and prosecute people wrongly on; your heart and soul is not cleansed from unrighteousness. It means unrighteous. People are wicked and still listen to the devil on earth. It is good to be around and hang out with people that do not have contentment and unsure of themselves. God and his son Jesus is the greatest at the throne in heaven. Only people get into heaven are people that are humble to him and the Holy Spirit. Fornicators, idols, drunkenness will not be blessed and receive praise from God.

God has given us Free Will, but uses it too much to be a slave to the devil. God give us the mind to love and have a sound mind. You must have one master that is God because it avoid condemnation in your life from being righteous. God will provide people with eternal life that have faith in Him.
