Do not Separate Yourself from God and Holy Spirit

Genesis 3:6

Joshua 7

Allow God to work on you by trusting in him daily. You need to remove sin from within you to trust in the Lord and Holy Spirit. You need to eliminate idols and the flesh in your life forever. Idols and sinners are trying to separate you from God by telling you to ignore the bible, God commandments and bad contentment. When you continue to live in sin and the flesh will not worship you. Idols tell you to live by the flesh, sin, be a hustler and be about greed, kill, steal and join a gang.

Do not devote yourself to the devil, gangs and idols on earth to separate from Jesus and heaven. Idols try to turn you away from heaven and not succeed in the tabernacle to the Holy of Holies. Do not devote yourself to the flesh. Do not get things accomplished and obtain riches by the flesh.
