

Have Faith, Do Not Rely on Idolatry on Earth

When you listen to idolatry on earth, it is the wrong message you are sending to God and Holy Spirit because you are not inheriting kingdom of God by providing adultery or fornication before marriage. When people provide adultery and kingdom of God, you are deceiving Jesus and Holy Spirit. You are not inheriting heaven and the gift of eternal life in heaven. When are being baptized and still listening to idolatry, you are not inheriting the kingdom of God and Holy Spirit. You are succeeding in the tabernacle either because you will be stuck at the brazen altar because God will not let you pass the brazen alter until you commit to God and the Holy Spirit. You want to eliminate fornication, foolishness, coarse jesting, and disobedience. You are only baptized to transform yourself from your sinful past. Everyone on earth must identify themselves with christ and Holy Spirit to be truthful, identify with Christ, obedient, living in Christ.

Gangs represent idolatry on earth because they tell people to act like hoodlums, thugs and kill people. Some people that lie to people all the time need to stop listening to idolatry and be open to one another. These gangs need to end and stop being idolaters to tell people to be unrighteousness to people and society. White nationalism and supremacy represent idolatry because they rather encourage unrest and violence to innocent people in communities, towns and cities in this country. KKK and white nationalism need to end and come together to resolve our differences in a respectful, Christian and productive way in this country without violence and killing people. We need to be united as communities and nation to learn how to agree and disagree with each other. We need more peace in our communities and neighborhoods in this country without idolatry and violence. Antifa represents idolatry because they provide violence on conservatives and anyone in the Republican party. We must agree peacefully within political ideologies without violence.

People need to let the rap and hip hop careers go and trying to work at a good and hard working job people do during the week. It is nothing but the devil's music.

Do not let people deceive you.

Do not let idolatry and homosexuals lead you down the path of unrighteousness

Do not let people providing adultery lead you down the path of unrighteousness

Do not let people that provide stealing and burglary lead you down the path of sin

Do not let people encourage you provide and live in sin with devil hangouts places

Do not let people lead you to abomination

The flesh and idolatry represents the following:

- Adultery
- Fornication
- Uncleaness
- Sorcery
- Hatred
- Envy

- Contentions
- outbursts of wrath
- selfish ambitions
- Murders
- Dissensions
- dishonor God
- Drunkenness
- worship demons

God do not worship and look over idolatry on earth because they represent path of unrighteousness and darkness. You need to prevent yourself from being delusional while you speak to people. You do not envision lies as a christian and disciple. You do not need to be a dream buster and provide false dreams. People need to listen to their consciousness, not Idolatry. Parents need to try to keep children from idolatry.
