Series: Rapture Topic: Abortion

Exodus 21:22-25 Proverbs 6:16-19

Jesus hates abomination to him like what the Democratic Party is doing along with some Republicans to sell their pro-choice stance on abortion. Abortion is illegal in the Holy Spirit and at the throne in heaven. Bible teaches abortion is wrong. I support life along with Christian conservatives because life on earth is precious.

When a woman gets a woman pregnant on earth, the man must be a husband and take responsibility for that child with the mother. It must be no injury and abortion taking place.

Exodus 20:13 Psalm 139:13—127:16

Men will be punished by Jesus at the throne in heaven by not being a father and husband to their children on earth. Lord hates abomination.

Jeremiah 1:5 Luke 1:41 Ecclesiastes 11:5 Psalm 22:10 Psalm 106:38-39
